Desires for today      Opportunities and Threats

## 2 - CONNECTING

---

Your practice with close reading

How students engage with text across curriculum

How (well) do students use academic language in writing and speaking?

## 3 - Making Predictions: Language-based routine

---

What is the academic language of prediction?

A close look at 9.1 for YOUR success!

Getting the ACADEMIC LANGUAGE we want

## 4 - Making it happen and looking toward May 12

---

GOAL: Implement the routine 3-4 times

Focus on scaffolding **for language use**

THINK of this as CrossFit for Academic Language
